

1) Take your right hand and place it on the left side of your face.

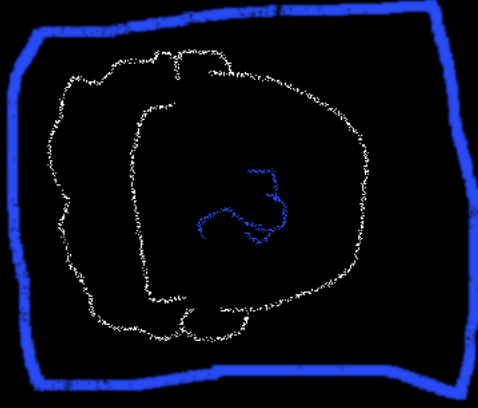

6) Fill the rest in later.

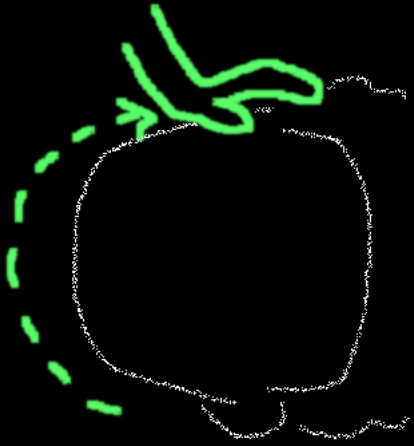

2) Take your mark making instrument of choice in your left hand and place it towards the left of the page.

5) Draw the feature you're the most insecure about first.

3) Move your right hand along the contour of your face.

4) As you do so, follow the path of your right hand with your other hand on the page. (This will create an outline of your head/face.)
